Dear Parents/carers,

As some of you may be aware, every year the school has to produce a school development plan (SDP) which identifies the key areas we are going to focus on to continue improving the school. As you are a vital part of our school community, we feel that you should know what our priorities are as a school. On the reverse of this letter there is a summary of the key points from our SDP. They have been categorised into 8 different areas which are all a focus for the school during the year.

Within the next few weeks, you will also see a display showing the SDP and its key priorities appear in the reception area.

If you wish to discuss the SDP further or if you have any questions regarding the SDP then please do not hesitate to come and speak to one of us.

Kind regards,

Chris Jelf
