

WE ARE SUPER!

EYFS Term 1

The children have certainly been super and have settled well.

We have spent the first few weeks getting to know each other, learning what it means to be part of the school community and learning the new routines. It has been commented on by other member of staff how well the children are doing.

We started by singing lots of nurse rhymes and then focused on the story of Goldilocks and the three bears. We have enjoyed making humpty dumpty jigsaws, 5 little duck puppets, baby bear masks and many of us enjoyed eating the porridge we made.

The children have enjoyed exploring the inside and outside classroom and hopefully you have been accessing tapestry to see all the fun we have been having. If you are having trouble accessing tapestry please let us know.

This week we have started looking at the story of Supertato — watch out for any evil peas!!

In maths we will continue to practise our counting, ensuring we are counting carefully and accurately as well as recognising numbers.

We will be looking at one more and simple addition.

We continually look at the shape of objects and how we can describe these as well as the size of different things.

We have already learnt the tricky word I and we will also be learning to recognise the words the, to, no, and go. Please help your children to recognise these by pointing them out in books or when you are out and about. We have been practising blending sounds together to say words, listening for initial sounds and have started to learn our letter sounds.

On Tuesday 22nd October we would like to invite you into school in the afternoon to find out how to support your child at home as well as having the opportunity to spend time in the classroom with your child. —more details to follow.

Soon the children will be bring home activity books where there will be some activities for you to do at home if you would like to. These are not compulsory but the children do tend to like doing them and they will support their learning— keep an eye out for these in their book bags.
