

Swimming at Little Stoke Primary 2018-2019

We had a high percentage of year 6 children who were unable to swim 25m at the start of this academic year. We paid for two swimming teachers in order to optimise the chance of these children building up the stamina to swim 25m by the end of the year. The results were as follows:

September 2018 – 40% of Year 6 children could swim 25m

July 2019 – 68% of Year 6 children could swim 25m

88% of children could swim 10m unaided
