Preparation of school building and hazard of compliance checks not being completed		<p>Before opening on 1st Sept, we have flushed the complete system for all hot and cold-water systems and are sure that the water system is safe before the buildings are reoccupied. This will be done again at the end of the half term break.</p> <p>All systems have been recommissioned before re-opening. This includes gas, heating, water supply, mechanical and electrical systems, fire safety systems and catering equipment.</p> <p>All areas and surfaces have been cleaned and disinfected prior to reopening and if necessary, pest control deployed for insect infestations, particularly in the kitchen and/or food preparation areas. The kitchen has been deep cleaned too prior to reopening and before food preparation resumes.</p>	<p>Caretaker</p> <p>SLT/SBM Systems have been checked in line with normal serving. School has been in constant use up until August 1st</p> <p>As our kitchen has been in full use by Community meals throughout summer, this will have been completed by them</p>	<p>September 1st/ November 2nd / December 1st January 4th</p>

Spreading infection due to excessive contact and mixing between pupils and staff in lessons		<p>There will be three larger bubbles (Key stage 1, Lower key stage 2 and upper key stage 2) and then separate class pods within each bubble. Pods will be separate from each other all the time. All classes will be kept to their class bubbles and there will be no mixing even between partner classes. This will include in the dining hall and the playground.</p> <p>Playground now divided into two structures, one when grass can be used and one when each of the four KS2 classes will have an area of the playground. The same arrangement in place in KS1</p> <p>Year 2 will eat lunch in their classroom.</p> <p>For national lock down, there will be two large bubbles – EYFS/KS1 and KS2.</p> <p>These will be divided into smaller ‘pods’ for the majority of the time. Where they are together, this will be for forest school and PE where they are taught in outdoor and/or larger environments.</p> <p>Due to the new variant of COVID pod sizes will be kept as low as possible as this will support as much social distancing as is possible and/or appropriate for the relevant age of the pupils.</p> <p>As much as is practically possible, adults will be working</p>	<p>SLT</p> <p>EYFS Lead</p> <p>All staff</p> <p>Class teachers</p> <p>Class teachers</p> <p>Visiting music teachers</p>	<p>All these actions to be in place by 1st September</p>	<p>Communication with Sports Coaches to ensure they have participated in Local</p>

Staff will be rigorous about hand washing and respiratory hygiene.</p> <p>Supply teachers, peripatetic teachers and other temporary staff will be told to minimise contact and maintain as much distance as possible from other staff. The number of temporary staff entering the school premises will be kept to a minimum. All visitors will use touch free sanitizer</p> <p>In general, parents will not come into school except in the case of arranged meetings for SEND children. These will take place in the main Hub where there is plenty of space and adequate ventilation</p> <p>Specialists, therapists, clinicians and other support staff for pupils with SEND will provide interventions as usual. Spreading infection due to excessive contact and mixing between pupils and staff in out of school provision		<p>At breakfast and after school clubs, children will keep in their bubbles (not necessarily their class pods). Staff will monitor this and set up room and activity timetable to enable children to be separate. There will be separate areas for Key stage 1, Lower and upper key stage 2</p> <p>Any snacks provided will be pre packed or washed, fresh fruit.</p> <p>Staff and children will thoroughly wash their hands before and after activities and when entering or leaving breakfast or after school club.</p> <p>Any child who is or seems to be unwell will not be allowed to attend and will be taken immediately to the designated isolation space (Old Head's Office) where they will be segregated until parents can be contacted.</p> <p>Learning Zone mixing will still happen. After discussion with the Local Authority and Public Health, the necessity for the LZ to continue to run outweigh the concerns regarding mixing between year groups. The school clearly understand the concerns and the impact this will have if any member of LZ tests positive.</p>	SLT Breakfast and After School Club	1 st September	<p>Letter regarding arrangements to be sent at the end of July and again at the end of August.</p> <p>Systems reviewed at end of September</p>

		<p>Individual risk assessments for high need children will support actions</p> <p>Recovery (Re-discovery) curriculum will support these children by focusing whole school support on: Belonging, Participation, Collaboration and Resilience. Staff will have planned specific activities to nurture these strands</p> <p>Set up a resource bank on the school website so parents, staff and children are aware of resources to support mental well being.</p>			
Possibility of contamination through visitors to school	Visiting professionals and teachers	<p>All visitors will sign in to give details for Government Track and Trace</p> <p>Meetings will be held outside or in the hub</p> <p>Music lessons will be held outside if the weather is fine or in the hall if wet. Initially this is drumming.</p> <p>Children will be seated at least a metre apart.</p> <p>Visiting professionals should wear masks if they are in contact with children and adults for longer than 15 minutes. This will include visiting music teacher, visiting SEND professionals eg Behaviour support and Educational Psychologist</p> <p>During lock down meetings with professionals that are needed in order to support the needs of SEND or vulnerable pupils will be able to happen. The school will facilitate mainly this through virtual meetings, this may involve a pupil and parent being onsite in a well ventilated room which is not used by any other group. The parent will be required to wear a face covering and the room used will not be used again until cleaned. This is because the needs of the pupil may be at greater risk than COVID if the professionals are not able to support</p>	All visitors All staff	1 st September reviewed 15 th September, 5 th September and 19 th September
