Dear Parents and Carers,

Further to our previous communication regarding COVID cases at school, please see attached letter regarding circulating COVID cases at school.

We have been in communication with South Gloucestershire Public Health and we need to put in additional measures in order to attempt to reduce further transmission of COVID 19 and therefore disruption to school.

Below is a summary of the key information in the letter sent via email:

- We are asking that all children now undertake daily LFD tests for the next 10 days (ending 11.2.2022).
- Please wear a face covering at drop off and pick up and observe social distancing during these times.
- Whilst daily LFD testing is not mandated, it has been advised by the public health professionals as an additional supportive measure during this outbreak. We appreciate you supporting our joint effort of minimising the disruption to your child's education and reducing the spread of COVID-19 in your community.

Information about obtaining LFD tests can be found:

<https://www.nhs.uk/conditions/coronavirus-covid-19/testing/regular-rapid-coronavirus-tests-if-you-do-not-have-symptoms/>

The latest rules on isolation and testing can be found here:

<https://www.gov.uk/government/publications/covid-19-stay-at-home-guidance/stay-at-home-guidance-for-households-with-possible-coronavirus-covid-19-infection>

LFD tests should only be used by people without symptoms of COVID-19. If your child's LFD test is negative, and they remain without symptoms, they should attend school as usual. If the test is positive please inform us immediately by email ([admin@littlestokeps.co.uk](mailto:admin@littlestokeps.co.uk)) or phone, isolate at home and report [online](#) or by calling 119.

If you need to be off work due to a need to isolate or care for a child who is isolating, please see the financial support poster attached to the email.

Thank you for your support and understanding.
