

ENGLISH

As Writers, our text focus for this term is Peter Rabbit by Beatrix Potter. We will use adjectives to create character descriptions, describe events in first person, practise using 'est' and 'er' suffixes and write a diary entry from the perspective of Peter Rabbit.

READING

As Readers, we will be engaging in guided reading three times a week to focus on our decoding, fluency and comprehension skills.

ART

As Artists, to reflect our nature-based theme, we will be creating a map of the UK and its surrounding sea using paint, a leaf rubbing collage, a layered lake scene picture and flower-based piece using tissue paper.

PE

As Athletes, we will have fun keeping fit and taking part in athletics learning to conduct a successful relay, practise our long jump and learn how to correctly and accurately throw across a distance.

Please wear PE uniform to school on Mondays and Thursdays.

MATHEMATICS

As Mathematicians, we will be continuing with place value to 50 where will learn to count to, order, represent and compare numbers to 50. We will also learn and practise our 2 and 5 timetables. Additionally, we will have fun completing active varied fluency activities in our outdoor area.

SCIENCE

As Scientists, we will be focussing on identifying animals and classifying them into groups. We will learn about the similarities and difference between omnivores, herbivores and carnivores. Additionally we will learn about the names and structures of common plants and trees and plant some ourselves!

Year 1 Term 5

Our Garden

DT

As Designers, we will be designing our own plant pots and creating animal masks from our animal group of choice.

THEME

As Geographers, from our previous focus on Bristol and Little Stoke, we will expand our horizons to look at features in South Gloucestershire then the United Kingdom. We will use Atlas's to identify the waters that surround the United Kingdom and the countries that it consists of.

HOMEWORK

Reading: Please could you continue to read the same book with your child for three nights to develop fluency and comprehension.

Numbots: Children completing work on Numbots where possible will develop their basic number facts.

With thanks, Mrs Lancaster and Miss Parson.
