

ENGLISH

As Writers, we will be using 'Funnybones' by Janet and Allan Ahlberg and 'The Tiger who came to Tea' by Judith Kerr to inspire us. We will write sentences, remembering to include capital letters, full stops and finger spaces. We will apply our knowledge of phonics to segment words.

READING

As Readers, we will be continuing to develop our knowledge of phonics, applying it to help us decode an increasing number of unknown words. We will discuss what is happening in the books we read and will make simple inferences.

P.E (Tuesday PM)

As Athletes, we will have fun keeping fit and taking part in multi-skills.

Please wear PE uniform to school on Tuesdays.

Forest School (Wednesday AM)

As Explorers, we will enjoy spending time outside in the forest. We will work together and learn about nature.

Please wear Forest School kit to school and bring school uniform to change into.

MATHEMATICS

As Mathematicians, we will sort and count objects. We will count forwards and backwards and find one more and one less than numbers. We will compare numbers and order them on number lines. We will add and subtract and practise number bonds to ten.

SCIENCE

As Scientists, we will explore the five senses. We will identify human body parts and particularly those that are linked to the senses.

Year 1 Term 1

Me, Myself and I

DI

As Designers, we will be creative, using our cutting and joining skills in our workshop area.

GEOGRAPHY

As Geographers, we will learn about maps and floor plans. We will find out what our routes from home to school look like on a map and aerial view.

ART

As Artists, we will create an animal print picture. We will think carefully about the dots and marks we are using to create this.

I'm sure we will all have a fantastic half term!

With thanks,
Miss Huck
