

## MATHEMATICS

As mathematicians, we will begin the term with place value. Within this, we will be looking at numbers up to one million. We will then move into addition and subtraction.

## ENGLISH

As authors, our book will be focusing on Mental Health- we will be exploring Michael Rosen's 'Sad Book'. We will be writing a character description of the main character, Instructions and a narrative.

## READING

As readers, we will be exploring different short texts and answering retrieval and inference style questions on it. We will also use these same skills within different videos.

## CITIES AND COUNTIES

Year 5 – Term 1

## PE

Our PE day is Monday. Children should come to school wearing PE uniform.

## HISTORY

As historians, we will be looking at the history of immigration to the UK.

## GEOGRAPHY

As geographers, we will be exploring different counties, cities and countries within the United Kingdom. We will also be looking into different landmarks and using Atlases to locate these.

## SCIENCE & ART

As scientists, we will be looking at the life cycle of different types on animals. We will then use this knowledge to create life cycle artwork.

## Forest School

Forest school will be on a Wednesday afternoon this term.
