7) School ethos

- LSPS community recognises that bullying, especially if left unaddressed, can have a devastating effect on individuals; it can create a barrier to learning and have serious consequences for mental wellbeing. By effectively preventing and tackling bullying, our schools can help to create safe, disciplined environment, where pupils are able to learn and fulfil their potential.
- *Our Community:*
 - Monitors and reviews our anti-bullying policy and practice on a regular basis.
 - Supports staff to promote positive relationships, to help prevent bullying.
 - Works directly with pupils to raise empathy levels and an understanding of their actions/word on each other.
 - Recognises that some members of our community may be more vulnerable to bullying and its impact than others; being aware of this will help us to develop effective strategies to prevent bullying from happening and provide appropriate support, if required.
 - Will intervene by identifying and tackling bullying behaviour appropriately and promptly.
 - Ensures our pupils are aware that bullying concerns will be dealt with sensitively and effectively; that everyone should feel safe to learn and abide by the anti-bullying policy.
 - Requires all members of the community to work with the school to uphold the anti-bullying policy.
 - Reports back to parents/carers regarding concerns on bullying, dealing promptly with complaints.
 - Seeks to learn from good anti-bullying practice elsewhere.
 - Utilises support from the Local Authority and other relevant organisations when appropriate.

8) Responding to bullying

The following steps may be taken when dealing with all incidents of bullying reported to the school:

- If bullying is suspected or reported, the incident will be dealt with immediately by the member of staff who has been approached or witnessed the concern.
- The school will provide appropriate support for the person being bullied – making sure they are not at risk of immediate harm and will involve them in any decision-making, as appropriate.
- The headteacher/ designated safeguarding lead or member of the SLT will interview all parties involved.
- The designated safeguarding lead will be informed of all bullying issues where there are safeguarding concerns.
- The school will inform other staff members, and parents/ carers, where appropriate.
- Sanctions (as identified within the school behaviour policy) and support for individuals will be implemented, in consultation with all parties concerned.
- If necessary, other agencies may be consulted or involved, such as: the police (if a criminal offence has been committed) or other local services including early help or children's social care (if a child is felt to be at risk of significant harm).
- Where the bullying takes place off school site or outside of normal school hours (including cyberbullying), the school will ensure that the concern is fully investigated. Appropriate action will be taken, including providing support and implementing sanctions in school in accordance with the school's behaviour policy.
- A clear and precise account of the incident will be recorded by the school on CPOMS (Child Protection Online Monitoring System) in accordance with existing procedures. This will include recording appropriate details regarding decisions and action taken.

Cyberbullying

The [Childnet](#) Cyberbullying guidance has been used at LSPS.

When responding to cyberbullying concerns, the school will:

- Act as soon as an incident has been reported or identified.
- Provide appropriate support for the person who has been cyberbullied and work with the person who has carried out the bullying to ensure that it does not happen again.
- Encourage the person being bullied to keep any evidence (screenshots) of the bullying activity to assist any investigation.
- Take all available steps where possible to identify the person responsible. This may include:
 - looking at use of the school systems;
 - identifying and interviewing possible witnesses;
 - Contacting the service provider and the police, if necessary.
- Work with the individuals and online service providers to prevent the incident from spreading and assist in removing offensive or upsetting material from circulation. This may include:
 - Support reports to a service provider to remove content if those involved are unable to be identified or if those involved refuse to or are unable to delete content.
 - Confiscating and searching pupils' electronic devices, such as mobile phones, in accordance with the law and also the school searching and confiscation policy. (LSPS will ensure they use the DfE '[Searching, screening and confiscation at school](#)' and [Childnet](#) Cyberbullying guidance to ensure that the schools powers are used proportionately and lawfully)
 - Requesting the deletion of locally-held content and content posted online if they contravene school behavioural policies.

- Ensure that sanctions are applied to the person responsible for the cyberbullying; the school will take steps to change the attitude and behaviour of the bully, as well as ensuring access to any additional help that they may need.
- Inform the police if a criminal offence has been committed.
- Provide information to staff and pupils regarding steps they can take to protect themselves online. This may include:
 - advising those targeted not to retaliate or reply;

 - Offering an immediate opportunity to discuss the concern with the designated safeguarding lead, a senior member of staff and/or the head teacher.

- Advising them to keep a record of the bullying as evidence and discuss how to respond to concerns and build resilience, as appropriate.

9) Preventing bullying

Environment

The whole school community will:

- Create and support an inclusive environment which promotes a culture of mutual respect, consideration and care for others, which will be upheld by all.
- Recognise that bullying can be perpetrated or experienced by any member of the community, including adults and children (peer on peer abuse).
- Openly discuss differences between people that could motivate bullying, such as: religion, ethnicity, disability, gender, sexuality or appearance related difference. Also children with different family situations, such as looked after children or those with caring responsibilities.
- Challenge practice and language which does not uphold the values of tolerance, non-discrimination and respect towards others.
- Be encouraged to use technology, especially mobile phones and social media positively and responsibly.
- Work with staff, the wider community and outside agencies to prevent and tackle concerns including all forms of prejudice-driven bullying.
- Actively create “safe spaces” for vulnerable children and young people.
- Celebrate success and achievements to promote and build a positive school ethos.

Policy and Support

- The whole school community will:
 - Provide a range of approaches for pupils, staff and parents/carers to access support and report concerns.

- Regularly update and evaluate our practice to take into account the developments of technology and provide up-to-date advice and education to all members of the community regarding positive online behaviour.
- Take appropriate, proportionate and reasonable action, in line with existing school policies, for any bullying brought to the schools attention, which involves or effects pupils, even when they are not on school premises; for example, when using school transport or online, etc.
- Implement appropriate disciplinary sanctions; the consequences of bullying will reflect the seriousness of the incident, so that others see that bullying is unacceptable.
- Use a variety of techniques to resolve the issues between those who bully, and those who have been bullied.

Education and Training

- The school community will:
 - Train all staff, including: teaching staff, support staff (e.g. administration staff, lunchtime support staff and site support staff) and pastoral staff, to identify all forms of bullying and take appropriate action, following the school's policy and procedures (including recording and reporting incidents).
 - Consider a range of opportunities and approaches for addressing bullying throughout the curriculum and other activities, such as: through displays, assemblies, peer support, the school/student council, etc.
 - Provide systematic opportunities to develop pupils' social and emotional skills, including building their resilience and self-esteem.

10) Peer-on-Peer Abuse

We recognise that children are also vulnerable to physical, sexual and emotional abuse by their peers or siblings. Little Stoke Primary recognises that abuse is abuse and should never be tolerated or passed off as “banter”, “just having a laugh” or “part of growing up”. Little Stoke Primary recognises the gendered nature of peer on peer abuse (i.e. that it is more likely that girls will be victims and boys perpetrators), but that all peer on peer abuse is unacceptable and will be taken seriously. The different forms peer on peer abuse can take are;

- sexual violence and sexual harassment
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise using physical harm;
- Sharing of inappropriate images via technology
- bullying (including cyber bullying)
- gender-based violence/sexual assaults
- initiation/hazing type violence and rituals

Abuse perpetrated by children can be just as harmful as that perpetrated by an adult, so it is important to remember the impact on the victim of the abuse as well as to focus on the support for the child or young person exhibiting the harmful behaviour.

Staff must never tolerate or dismiss concerns relating to peer on peer abuse.

All staff are made aware of the school policy and processes in dealing with instances of peer on peer abuse. If a member of staff feels that an incident of Peer-on-Peer Abuse has occurred it will be reported to the school DSL. If necessary, a risk assessment will also be completed ensuring the victim and perpetrator are as separate as possible.

What do we do as a school to prevent peer-on-peer abuse?

- We promote friendships at school. The adults in our school act as role models.
- We have School Council to talk about issues which affect the whole school.
- We use PSHE (Personal, Social and Health Education) activities following the ‘Jigsaw’ scheme. We use the NSPCC ‘Speak out. Stay safe.’ as part of our PSHCE teaching.

- Our school assemblies and values education help us think of ways to stop bullying.
- The adults on duty outside help children on the playground have a happy playtime.
- When a child thinks they have been bullied, we will listen to their problems and try our hardest to stop any bullying.
- We provide apparatus that children can use at break and lunch times to teach them about sharing and caring for others.
- We will make the school community aware of our Anti-bullying Policy.
- We necessary we will liaise with other professional bodies, this may include social care and local police force.
- We recognise that children with special needs may need extra support to help them in bullying situations.

11) Involvement of pupils

- *We will:*
 - Involve pupils in policy writing and decision making, to ensure that they understand the school's approach and are clear about the part they have to play to prevent bullying. (Nov 2018 – pupil Anti-Bullying Leaflet reviewed with pupils)
 - Regularly canvas children and young people's views on the extent and nature of bullying.
 - Ensure that all pupils know how to express worries and anxieties about bullying.
 - Ensure that all pupils are aware of the range of sanctions which may be applied against those engaging in bullying.
 - Involve pupils in anti-bullying campaigns in school, anti-bullying week and embedded messages in the wider school curriculum.
 - Publicise the details of internal support, as well as external helplines and websites.
 - Offer support to pupils who have been bullied and to those who are bullying in order to address the problems they have.

12) Involvement and liaison with parents and carers

- *We will:*
 - Take steps to involve parents and carers in develop policies and procedures, to ensure they are aware that the school does not tolerate any form of bullying.
 - Make sure that key information about bullying (including policies and named points of contact) is available to parents/carers in a variety of formats.
 - Ensure all parents/carers know who to contact if they are worried about bullying and where to access independent advice.
 - Work with all parents/carers and the local community to address issues beyond the school gates that give rise to bullying.

- Ensure that parents work with the school to role model positive behaviour for pupils, both on and offline.
- Ensure all parents/carers know about our complaints procedure and how to use it effectively, to raise concerns in an appropriate manner.

13) Monitoring and review: putting policy into practice

- The school will ensure that they regularly monitor and evaluate mechanisms to ensure that the policy is being consistently applied.
- Any issues identified will be incorporated into the school's action planning.
