

MATHEMATICS

As mathematicians, we will be exploring factors, multiples, prime, square and cubed numbers. We will then be multiplying/dividing by 10,100 and 1,000 and rounding off the term with some fractions work.

ENGLISH

As authors, we will be linking our new theme based on the Industrial Revolution with the book 'Varmints' by Helen Day. We will be producing contrasting setting descriptions a newspaper report on the arrival of 'OTHERS' and a narrative.,

READING

As readers, we will be exploring different short texts and answering retrieval and inference style questions on it.

REVOLUTION! Year 5 – Term 2

PE

As athletes, we will have the sports coaches to help deliver basketball sessions.

HISTORY

As historians, we will be looking at the history of the Industrial Revolution.

GEOGRAPHY

As geographers, we will be concluding our first theme: Cities and Counties by looking at a range of different UK landmarks.

SCIENCE & ART

As scientists, we will be looking at materials and their properties. This will include dissolving and thermal/electrical conductors and insulators.
